Dear Parents and Carers

This week the children have learnt about writing lists by making one for the toppings they would like on their pizzas. In the afternoon we made the pizzas. We have been continuing to talk about time and identifying on the clock o'clock and half past times throughout our day.

Phonics this week:

We have had lots of revision of the phase 3 and 4 sounds this week as well as seeing what tricky words the children have learnt to read. This week is this last set of homework for this year. Please help your child to reflect on the year they have had in Reception by writing or drawing about the friends they have made, their favourite memory and their favourite activity. It will be special for us to be able to see their thoughts.
