

# Refuge lyrics

**Verse 1** There's always someone standing on their own outside the crowd  
who looks bewildered and confused.  
They try to make some sense of all the jostling and the jokes  
but still they don't look that amused.

What place, what life, what did they leave behind?  
What sights, what sounds, what thoughts are on their mind?

**Verse 2** I've noticed that your accent has an unfamiliar sound;  
sometimes it seems you hate us all.  
In silence you retreat into a closed and private world  
behind your own protective wall.

What crimes, what hurt, what wars have you survived?  
What hopes, what dreams were left when you arrived?

**Chorus** *Who'll be your refuge, your shelter, your fortress?  
Who'll be your champion?  
Who'll be your refuge, your pilot, your brother, your northern star?  
Who will be your second sight, the light that guides your way at night?  
Don't be downhearted,  
I'll be your refuge.*

**Verse 3** There's nothing wrong with being shy and everybody knows that  
fools speak louder than the rest (that fools speak louder than the rest)  
Let no-one tell you how to think or what is right or true; you are not  
weak or second best (you are not weak or second best)

What crimes (what crimes), what hurt (what hurt),  
what wars have you survived? (what wars have you survived?)  
What hopes (what hopes), what dreams (what dreams)  
were left when you arrived? (were left when you arrived?)

**Chorus** *I'll be your refuge, your shelter, your fortress,  
I'll be your champion.  
I'll be your refuge, your pilot, your brother, your northern star.  
I will be your second sight, the light that guides your way at night.  
Don't be downhearted,  
I'll be your refuge*

# Mr Blue Sky lyrics

Sun is shining in the sky, there ain't a cloud in sight  
It's stopped rainin', everybody's in the play and don't you know  
It's a beautiful new day, hey hey

Running down the avenue, see how the sun shines brightly  
In the city on the streets where once was pity  
Mister Blue Sky is livin' here today, hey hey

<i>Mister Blue Sky</i>	<i>Please tell us why</i>
<i>You had to hide away for so long</i>	<i>So long</i>
<i>Where did we go wrong?</i>	<i>We go wrong?</i>

Hey you with the pretty face, welcome to the human race  
A celebration, Mister Blue Sky's up there waitin'  
And today is the day we've waited for, ah ha

<i>Mister Blue Sky</i>	<i>Please tell us why</i>
<i>You had to hide away for so long</i>	<i>So long</i>
<i>Where did we go wrong?</i>	<i>We go wrong?</i>

Hey there, Mister Blue, we're so pleased to be with you  
Look around, see what you do, everybody smiles at you

Mister Blue Sky, Mister Blue Sky  
Mister Blue Sky

Mister Blue you did it right, but soon come Mister Night  
Creepin' over, now his hand is on your shoulder never mind  
I'll remember you this, I'll remember you this way

<i>Mister Blue Sky</i>	<i>Please tell us why</i>
<i>You had to hide away for so long</i>	<i>So long</i>
<i>Where did we go wrong?</i>	<i>We go wrong?</i>

Hey there, Mister Blue, we're so pleased to be with you  
Look around, see what you do, everybody smiles at you

Ba da... etc.  
Mister Blue!
