Who inspires you?

Our local heroes

David Attenborough

David started to work as a broadcaster in television, a new technology at time he brought animals from the zoo to the studio they were very charming guests.

He put focus on the always dangerous world in the ocean who were not visible, while he brought nature to all the members of a penguin family.

David wanted to film the animals in the natural habitat, he traveled all over the world with his camera and his friends.

Today David talks about the tropical world, whenever he goes he encourages people to take care of the planet and his human family to save the planet.

David was honored for his incredible documentaries, he has won many awards, he is a legend in the world of nature, and his legacy called him David.

One of his programmes will live on, one became the most popular in British history, it was a highlight show about ecology that made audiences of all generations.

MARCUS RASHFORD

Marcus Rashford made you
realise for people who could not afford
school dinners. Did you know
that 10 million people live on less than
\$2 a day? Marcus Rashford MBE has been outstanding in
his efforts to help the thousands of
children in poverty.

Sunny

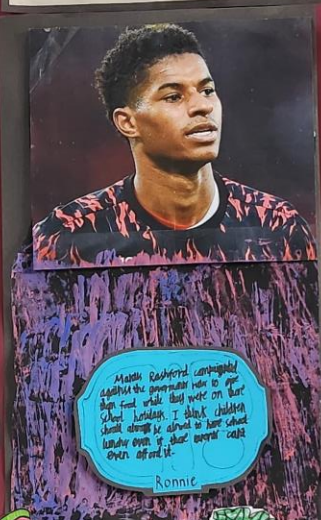

Marcus Rashford, thank you
for the children that
don't have that much money to buy
your school meals in the holidays.

Nadia

I think Marcus Rashford is
a hero because he has
helped so many children
that don't have money to
buy school meals. They
don't have to go to the
bank for the money.

Aiden

Marcus Rashford campaigned
against the government plan to
close food banks that were on their
school grounds. I think children
should always be allowed to have school
lunch even if their parents can't
afford it.

Ronnie

I think Marcus Rashford
is a hero because he has
helped so many children
that don't have money to
buy school meals. They
don't have to go to the
bank for the money.

Alba

Marcus Rashford was
born on 12th April 1997 and was
11 years old when he was
named MBE for his work
in helping the children
that don't have money to
buy school meals.

Sofia

Marcus Rashford is a
hero because he
has helped so many
children that don't
have money to buy
school meals. They
don't have to go to
the bank for the
money.

Aditi

Marcus Rashford is a
hero because he has
helped so many children
that don't have money to
buy school meals. They
don't have to go to
the bank for the
money.

Sophia

Marcus Rashford told
the government to give
free school meals to
children that don't
have money to buy
school meals.

David

Why are there always 15-20 people?

My mom said it's a little hard to be a nurse. It's a lot of hard work and a lot of people say it's a hard job.

Nurses are heroes because they work really hard and they don't get paid much money. They help people and sometimes even save lives.

Nurses are a hard job because they take care of sick people and have them back to their feet. Another reason why nurses are a hard job is because they get paid very little money for what they do.

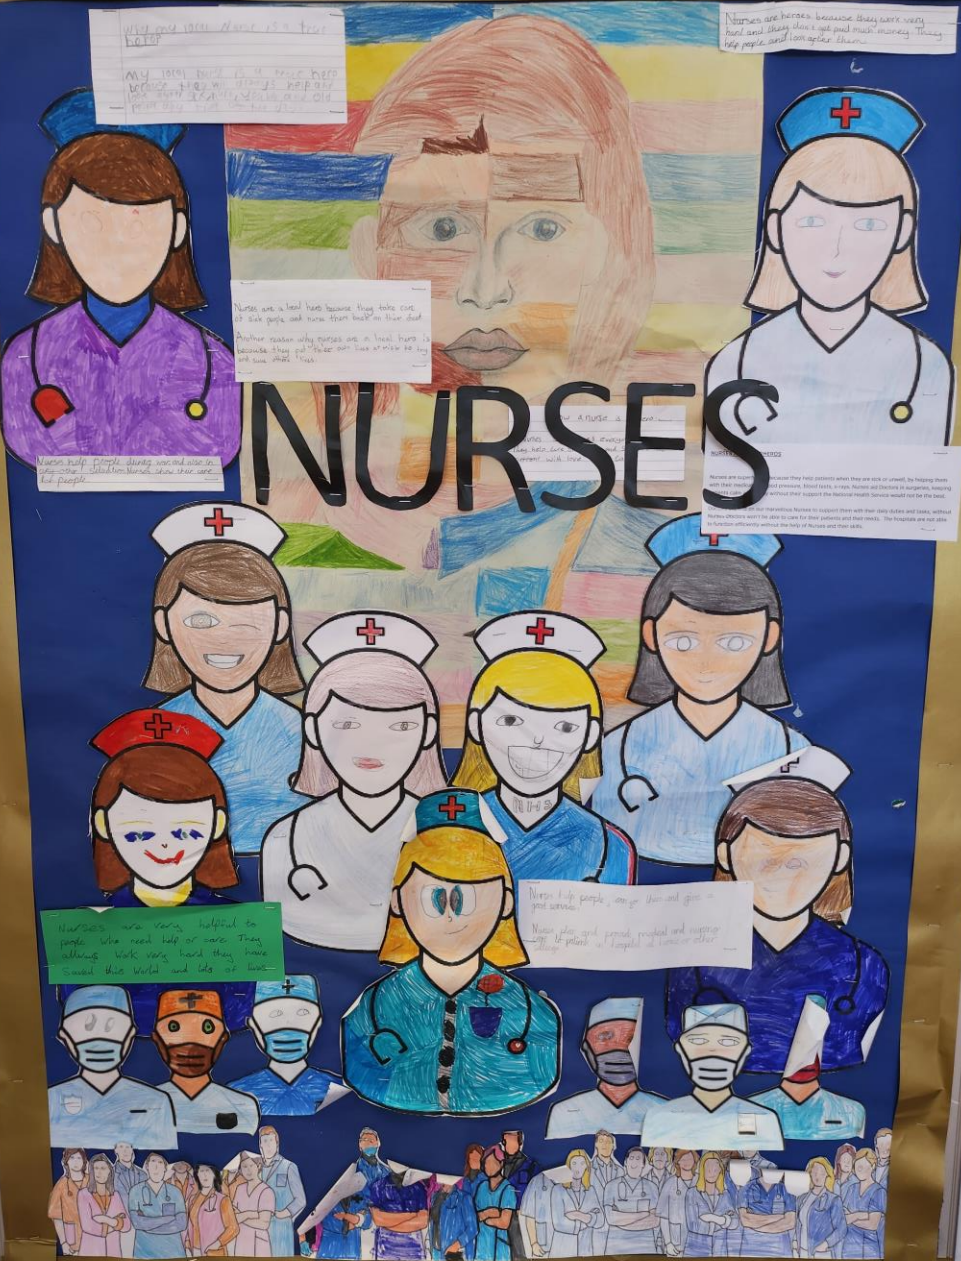

Nurses help people during some of the worst times of their lives. I think that's why they are so important.

Nurses are heroes because they take care of people when they are sick or hurt. They help them feel better and they make sure they are safe. Nurses are also very kind and they always have a smile for everyone.

NURSES

Nurses are very helpful to people who need help or care. They always work very hard and they have saved this world and lots of lives.

Nurses help people, save lives and give a good service. Nurses also give people comfort and support when they are in hospital or another place.

By Year 6

Year 6 researched lesser known inventors who have changed our daily lives for the better.

We produced leaflets and posters.

We hope you learn something new!

Even we can make a difference. Oliver B wrote to his local MP, Theresa Villiers, with his concerns about his local skateboard park in Friary Park. Ms Villiers wrote back to Oliver stating that she would look into his concerns.

MAKING THE WORLD A BETTER PLACE

'Marcus Rashford school meals petition passes 1m signatures!'

Marcus Rashford has been hailed a 'hero' as his campaign forced a government U-turn. Many children will receive free meals during the school holidays.

PRESIDENT OBAMA WAS A KENYAN WHO LOVED AMERICA. EVERYONE, WHITE OR BLACK, YOUNG OR OLD, AMERICAN OR FOREIGN, MET IN HIS OFFICE, IN AFRICA, ASIA, OCEANIA, EUROPE, AND THE MIDDLE EAST. IT WAS THERE THAT HE MET THE PEOPLE WHO WOULD CHANGE THE WORLD. ... HE WENT THERE TO MEET THE PEOPLE WHO WOULD CHANGE THE WORLD.

The Rt. Hon. Theresa Villiers MP
Member of Parliament for South West London
South West London
17 November 2018

Dear Oliver,

Thank you for writing to the House of Commons to let me know that you are interested in the skateboard park in Friary Park. I have passed your letter to the relevant departments and they will be looking into it. I will be sure to keep you updated on the progress.

Yours faithfully,
Theresa Villiers

Rashford says his books will be for every child "even if I have to deliver them myself."

Marcus Rashford has already succeeded in forcing the government to provide free school meals during the school holidays. Now the 22-year-old is turning his attention to helping every child in the country.

The Manchester United star is launching a book club along with publisher Macmillan Children's Books. Rashford is looking to help every child in the country.

One of the aims of this book club is to make sure children from vulnerable and underprivileged backgrounds have access to books. Rashford is looking to help every child in the country.

What Does the Bible Say?

The Bible commands us to love our neighbour as ourselves (Mark 12:31) and to treat others the way we would like to be treated (Luke 6:31).

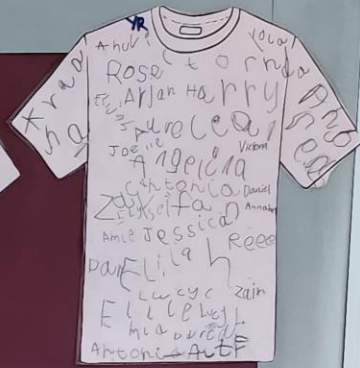

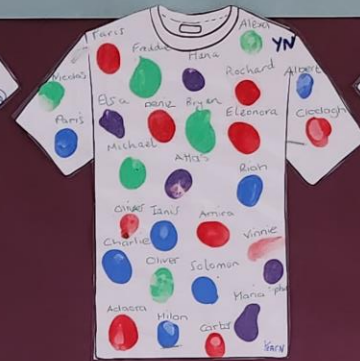

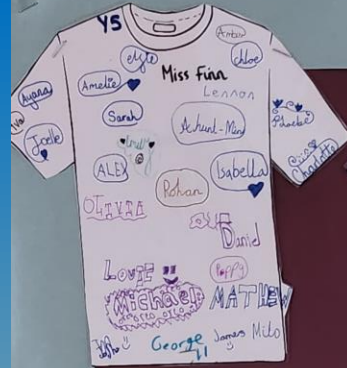

There is no room in the Christian faith for belittling or abusing someone. Every person, regardless of what he or she looks or acts like, is created in the image of God (Gen. 1:26-27; James 3:9-10) and is worthy of the dignity that God gives to every person.

Bullying, therefore, is never ok.
