TfL Explorer Ambassadors

Explorer Ambassadors

Our Explorer Ambassadors, formally known as Junior Travel Ambassadors, work tirelessly during the year to promote safer and sustainable travel to and from school.

Events include travel surveys, Be Bright Be Seen week, road safety workshops, The Big Walk and Wheel, Walk Zone and competitions.

Through their hard work we have achieved Travel for Life Gold Award.

Junior Road Watch

Y5 carried out a 'Road Watch' traffic survey outside our school alongside the Police and the Barnet Road Safety Officer to monitor the amount of traffic present during the day.

This information was shared with the Barnet Road Safety team.

School Streets

We applied to be part of the School Street scheme alongside our two local schools and were successful.

"I feel much safer with the school street."

"I cycle more with the school street."

Y3 child

"I love walking to school now, it's like walking in the countryside. I can no longer hear shouting and cars; I can actually hear the birds singing."
